The Arlington Opening.

The event of the season occurred

last night at the opening of the

Arlington hotel. Without any doubt it

was the most brilliant event that has

occurred here in many seasons. The

house was beautifully decorated with

flowers throughout, brought here

from St. Paul, Minneapolis, and even

from Tacoma, on the Pacific coast.

The Third Regiment Band occupied

the balcony and discoursed sweet

music during the evening and until

the banquet was at an end. The

guests arrived as early as 9:30 and

were shown to the parlors of the hotel

on the second floor until the an-

ouncement was made that the ban-

quet hall was in readiness. When

the guests had been seated, President

C. L. Spaulding, of the city council,

opened with a speech as follows:

LADIES AND GENTLEMEN: In behalf

of the host and hostess I welcome

you to this banquet with all the cor-

diality that the word welcome can

imply. I welcome you as citizens

whose every interest is identified with

BRAINERD, who are ever ready to en-

courage any enterprise that will re-

sult to our prosperity and conduce to

the reputation of the city abroad. I

behold here to-night many of our citi-

zens whose remembrance takes them

back to early days when the location

of our churches, school houses, dwell-

ings and business blocks was cover-

ed by the forests primal—when the

majority of our inhabitants were rep-

resented by the wigwags and teepees

of the savage Indian. I also see the

familiar faces of distinguished guests

from neighboring cities and towns,

who have laid aside their usual oc-

cupations for a time that they might

be with us to-night and enjoy these

festivities. Among this number I ob-

serve Mr. B. S. Russell, who is thor-

oughly conversant with the develop-

ment of the northwest, having lived

A. W. Miller has started a stage between Brainerd and Lake View. The stage leaves the bank corner at 8 a. m. and 1:30 p. m., each day. The round trip is 75 cents.

The street sprinkler is a success this year and is a great improvement. Mr. Hazen has the streets wet down every morning about four o'clock and the dust nuisance is abated.

The Y. M. C. A. was very fortunate in securing the Swedish Ladies Concert Co. Do not fail to hear them and thereby help to complete the gymnasium and bath-rooms.

Go to the opera house June 8th and 10th and enjoy a rare musical treat. This will be one of the finest concerts ever heard in the city. The Swedish Ladies' concert has a national reputation.

T. J. Sanborn and wife are visiting in Maine, and some one started the report that they had been lost in the Johnston flood, which report was entirely without foundation.

In last week's issue an item appeared stating that Chas. Iachner had been fined for being drunk under the Scheffer law. The man mentioned was a common bum and not the Chas. Iachner who resides in this city, and this item is published on account of a misconception.

The Minneapolis Saturday Spectator says: "The Swedish Ladies Quartette will make their second appearance in this city next Wednesday evening at the grand opera. This event will afford music lovers a rare treat for their music is so distinctively apart from that rendered by the usual concert or ordinary opera troupes as to be delightfully refreshing. Their voices are individually rich and strong, well balanced and collectively well harmonized, and while they are capable of giving the most difficult music, their most attractive and entertaining songs are the old song stirring ballads, 'Last Rose of Summer,' 'Annie Laurie,' etc. Then too their native songs are charming and seem to come directly from the soul. 'Swedish Wedding March,' 'Swedish Folk Song,' are among them and always win two or three recalls.

Regular services at the Baptist church will be resumed Sunday. The pastor will preach both morning and evening.

Rev. E. J. Brownson, of the Baptist Church, returned last night from a month's visit at his old home in New York.

Joe Cohen has returned from the Pacific coast and was in Brainerd yesterday. He will go on the road for a Minneapolis dry goods firm.

The new dynamo arrived on yesterday and was placed in position in time for use last night. Brainerd could scarcely do without incandescent lights now.

Chas. Mehegan met with a serious accident on Sunday last and lost an eye thereby. A piece of shell which flew from a pistol when it was discharged is the cause.

Parties who had dishes at the late 'Festival of Days' at the rink, and who failed to take them away are requested to call at Losky & Dean's and get them immediately.

J. E. Wilson accompanied his mother and sister as far east as St. Paul on their return to Chicago yesterday. They have been spending several months in this city.

The members of the Old Settlers' Club are requested to meet at the hose house on Front street, next Tuesday evening, June 11th, at 8 o'clock. All old settlers, who are not members, are also invited.

I. T. Dean has been in Minneapolis this week with his wife, who has just returned from the east and was taken suddenly ill at that city on her return. She is better, however, and they will probably return to Brainerd Saturday.

We are in receipt of an invitation and complimentary ticket to the reception and ball tendered by the citizens of Duluth at the opening of the Spaulding House in that city, which takes place Monday night. We are only sorry that we could not not attend.

M. T. Kennedy is fitting up rooms over his store and will soon remove his family from Brainerd to this place.—Duluth Herald.

"John Peterson" (alias "Jacob Anderson"), the man who tried to obtain money under false pretenses at this place some weeks ago, and who had "stuck" some Little Falls and Brainerd parties before coming here, is still working his old game. He went from here to Wadena and victimized a man with whom he had deposited a spurious paper for collection. Also the lively stable keeper. Last week he turned up at Breckinridge, where he got acquainted with a man and the same day proposed for the hand of the man's daughter and was accepted. Next day Anderson got a \$70 check, cashed, on the identification of his prospective father-in-law, and then he disappeared for parts unknown. His repeated operations, almost identical in their nature, and at places not far distant from each other, show him to be a bold criminal. It is surprising that he has not long since been run to earth.—Motley Register.

He Was Insane.

A man by the name of Hald Anderson, a brother-in-law of Iver Benson, was found in his room at the house of the latter gentleman on Saturday evening with both wrists cut, and the man in an unconscious state. Medical assistance was summoned and the man was brought to his senses but he refused to give any cause for the rash act, other than that he had to die. He felt quite well Sunday morning but on the evening of the same day he died. There is no doubt but that the man was not in his right mind, and his actions showed that about the time he used the razor on his wrists he was laboring under temporary aberration. He was a single man about 32 years of age and had worked for J. J. Howe & Co. for seven years, but on account of ill health he had not engaged to them this season. He was buried in Evergreen cemetery on Tuesday morning.

Fire Association Delegates.

The seventh annual meeting of the Minnesota State Fire Association will be held at Alexandria on the 11th and 12th of the present month, next Tuesday and Wednesday, and the different companies of this city have elected delegates to attend as follows:

Hose Co. No. 1.—John Barber and M. H. McCabe.

Hose Co. No. 2.—John Barrall and Wm. Barron.

Hose Co. No. 3.—Thos. Watts and Andy Wallace.

Hose Co. No. 4.—A. Mahlum and H. M. Newell.

Hook and Ladder Co. No. 1.—A. E. Ferris and N. H. Ingersoll.

The delegates from this city will leave on the Monday noon train in order to reach Alexandria for business Tuesday morning. On Tuesday evening a grand ball and banquet will be given by the Alexandria department and the city government. The programme for Wednesday is a basket picnic at "Three Haves," a beautiful summer resort three miles from the city. The Brainerd delegation are figuring on a very pleasant trip.

The Brainerd Gun Club.

The regular weekly shoot of the Brainerd Shot Gun Club took place on Tuesday on their grounds at the Driving Park. The champion badge was won by Wallace Bain on a score of thirteen out of a possible fifteen. The "Chump" badge was won by Joe Howe without a struggle this week, it being a tie between him and Fred Sundberg at the last shoot, and they have worn the badge alternately during the past seven days, but Joe is the sole owner of it for the next seven. The score on fifteen singles was as follows:

City Matters.

The city council met on Monday evening with a full board in attendance. The minutes of the last meeting were read and approved. The city printing was awarded to the Tribune, they being the only bidders. The finance committee was granted further time to report on the city treasurer's report. The petition for a sidewalk on block 168 was tabled on report of the committee, and the sidewalk previously ordered laid on Front street west, was ordered to be laid by July 1st. The matter of improving the East Brainerd house was left with the fire committee with power to act. The committee appointed to look up the Kingwood street matter were granted further time to look up the matter. The report of the superintendent of electric lighting apparatus was read and showed a net profit of \$204 to the city for April, which was accepted. The city attorney was instructed to draw up a resolution referring to the opening of an alley in block 155.

A motion was made and seconded that street work be done with ten hours labor per day. Ald. O'Brien and Walters moved to amend by making it eight hours a day, the amendment carrying by a vote of seven to two, the gentlemen voting not being Ald. Gardner and Brown.

The petition for vacating certain portion of Bluff avenue was referred to committee on streets, to report at next meeting of council.

The city clerk was authorized to advertise for bids for building sidewalks and crossings, and the chief of the fire department was directed to test all hydrants and report at next meeting.

Ordinance No. 79, which revokes ordinance 39, had its first and second readings and adopted. Ordinance 39 gives the street railway franchise to C. F. Kindred, and as it has been forfeited, it was thought best to have the matter in shape for future use, provided some one else desired to run a street railway.

The mayor reported his appointments as follows: Ed. Caffery, chief; M. Derocher, J. D. Barstow and J. E. Johnson, patrolmen; Al. Brockway, pound-master; S. W. Greene, dog-killer. The appointments were all confirmed unanimously with the exception of J. E. Johnson, those voting against his appointment being Ald. Wheatley, Gardner, Brown and Mr. President.

The council adjourned.

First Annual Tournament.

The Brainerd Gun Club are making arrangements for a grand tournament at their grounds on July 4th. Several clubs have already signified their desire to attend and participate, and it is expected that a grand good time will be the result. St. Cloud, Fargo, Duluth, Ada, Wadena and Detroit will be represented. Several cash prizes will be offered, enough to make it interesting, and the Brainerd Club will do all in their power to make the time a grand success. The grounds will be fixed up and put in nice shape and the visitors can rely on being well cared for. Reduced rates will be given on all railroads. Parties desiring information in regard to the tournament can address W. J. Bain, Secretary Brainerd Shot Gun Club.

A Narrow Escape.

An alarm of fire was turned in from the mill boarding house Thursday morning about 3:30 and the entire fire department was gotten out including the companies on the east side. The blaze was suppressed before the department could do any work but not until the people at the boarding house were thoroughly scared and quite a little damage was done. The fire originated from some unknown cause in a sleeping room and the bed and what clothing there was in it was destroyed. It was a very narrow escape.

Struck a Bonanza.

It may not be generally known here but W. W. Hartley, a brother of Gil Hartley, of this city, has gathered in a veritable bonanza out in Tacoma. Some years ago a gentleman, whose name has been kept quiet, secured a tract of about eighty acres at Tacoma for a few hundred dollars. He allowed his purchase to stay unimproved, but paid his taxes regularly, and the land has grown to be immensely valuable. The town is surveyed and platted into different divisions three miles beyond the property in question. W. W. Hartley and four associates have secured title to this land under an agreement that they will pay the original owner the first \$25,000 received from the sale of the property, which is now almost ready to be put on sale. There will be about sixty-five blocks of lots in the tract, and thirty-two lots to the block, or a total of 2080 lots, which will sell like hot cakes at \$500 for inside and \$600 for corners, which will yield a comfortable total of \$1,166,000, so that each of the partners will clear up about \$225,000 as the result of their speculation. W. W. Hartley has many friends in Duluth who will be glad to hear of his good investment.—Herald.

MISS SYBIL SANDERSON, the young California songstress who has created such a furore in Paris, accomplished the astonishing feat of singing and holding up G. AN AVIATOR of the fast trip of the City of Paris across the Atlantic in five days, twenty three hours and seven minutes, it is stated that the contract for the City of Paris and City of New York calls for a passage in five days and fifteen hours, where the vessels were finally accepted. Where this piling down of the record is to stop it is impossible to say. It is understood that the Cunard company is now building two ships, the contract of which specifies that they shall make the trip inside of five days. As the distance in round numbers is about 3,300 miles, the average speed would be 570 knots, or 660 miles a day, or, say, twenty-seven and three-quarter miles an hour as an average speed for the entire trip.

Notoriety is what they are apparently seeking. I don't have to treat with them. The president has named honorable men to the office. I would rather state my country's honor and integrity than to be a part of a scandal.

The Investigation Into the Cause of His Death Proceeding at St. Rochester.

ROCHESTER, Special Telegram, June 3.—The murder at the asylum continues to create excitement in sufficient to excite the farmers from all parts of the county who are attending the opening of the district court. Little was done at the trial, the only reference to it being in Judge Star's charge to the grand jury. They were directed to look into the case.

Great excitement prevails in university circles at Madison, Wis., over a disgraceful affair. The ladies of the Delta Gamma fraternity were giving a reception to the delegates to the national Delta Gamma convention now in session at Madison. This event will afford music lovers a rare treat for their music is so distinctively apart from that rendered by the usual concert or ordinary opera troupes as to be delightfully refreshing. Their voices are individually rich and strong, well balanced and collectively well harmonized, and while they are capable of giving the most difficult music, their most attractive and entertaining songs are the old soul stirring ballads, 'Last Rose of Summer,' 'Annie Laurie,' etc. Then too their native songs are charming and seem to come directly from the soul. 'Swedish Wedding March,' 'Swedish Folk Song,' are among them and always win two or three recalls.

Last Thursday our office was invaded by that prince of good fellows, B. S. McManis, the great crockery and notion dealer, of St. Cloud. He gave us a short spurt after his Dolly Varden Mare, seated in his stylish "low-backed car," and we were happy.—Sank Rapids Sentinel.

M. T. Kennedy is sitting up rooms over his store and will soon remove his family from Brainerd to this place.—Duluth Herald.

He is a Bird.

"John Peterson" (alias "Jacob Anderson"), the man who tried to obtain money under false pretenses at this place some weeks ago, and who had "stuck" some Little Falls and Brainerd parties before coming here, is still working his old game. He went from here to Wadena and victimized a man with whom he had deposited spurious paper for collection. Also the lively stable keeper. Last week he turned up at Breckbridge, where he got acquainted with a man and the same day proposed for the hand of the man's daughter and was accepted. Next day Anderson got a \$70 check cashed, on the identification of his prospective father-in-law, and then he disappeared for parts unknown. His reported operations, almost identical in their nature, and at places not far distant from each other, show him to be a bold criminal. It is surprising that he has not long since been run to earth.—Motley Register.

He Was Insane.

A man by the name of Hald Anderson, a brother-in-law of Iver Benson, was found in his room at the house of the latter gentleman on Saturday evening with both wrists cut, and the man in an unconscious state. Medical assistance was summoned and the man was brought to his senses but he refused to give any cause for the rash act, other than that he had to die. He felt quite well Sunday morning but on the evening of the same day he died. There is no doubt but that the man was not in his right mind, and his actions showed that about the time he used the razor on his wrists he was laboring under temporary aberration. He was a single man about 32 years of age and had worked for J. J. Howe & Co. for seven years, but on account of ill health he had not engaged to them this season. He was buried in Evergreen cemetery on Tuesday morning.

Fire Association Meetings.

The seventh annual meeting of the Minnesota State Fire Association will be held at Alexandria on the 11th and 12th of the present month, next Tuesday and Wednesday, and the different companies of this city have elected delegates to attend as follows:

Hose Co. No. 1.—John Burbar and M. H. McCabe.

Hose Co. No. 2.—John Burrell and Wm. Barron.

Hose Co. No. 3.—Thos. Watts and Andy Wallace.

Hook and Ladder Co. No. 1.—A. F. Ferris and N. H. Ingersoll.

The delegates from this city will leave on the Monday noon train in order to reach Alexandria for business Tuesday morning. On Tuesday evening a grand ball and banquet will be given by the Alexandria department and the city government. The programme for Wednesday is a basket picnic at "Three Havens," a delightful summer resort three miles from the city. The Brainerd delegation are figuring on a very pleasant trip.

The Brainerd Gun Club.

The regular weekly shoot of the Brainerd Shot Gun Club took place on Tuesday on their grounds at the Driving Park. The champion badge was won by Wallace Bain on a score of thirteen out of a possible fifteen. The "Chump" badge was won by Joe Howe without a struggle this week. It being a tie between him and Fred Sundberg at the last shoot, and they have worn the badge alternately during the past seven days, but Joe is the sole owner of it for the next seven.

The score on fifteen singles was as follows:

City Matters.

The city council met on Monday evening with a full board in attendance. The minutes of the last meeting were read and approved. The city printing was awarded to the Tribune, they being the only bidders. The finance committee was granted further time to report on the city treasurer's report. The petition for a sidewalk on block 168 was tabled on report of the committee, and the sidewalk previously ordered laid on Front street west, was ordered to be laid by July 1st. The matter of improving the East Brainerd horse house was left with the fire committee with power to act. The committee appointed to look up the Kingwood street matter were granted further time to look up the matter. The report of the superintendent of electric lighting apparatus was read and showed a net profit of \$204 to the city for April, which was accepted. The city attorney was instructed to draw up a resolution referring to the opening of an alley in block 155.

A motion was made and seconded that street work be done with ten hours labor per day. Ald. O'Brien and Walters moved to amend by making it eight hours a day, the amendment carrying by a vote of seven to two, the gentlemen voting no being Ald. Gardner and Brown.

The petition for vacating certain portion of Bluff avenue was referred to committee on streets, to report at next meeting of council.

The city clerk was authorized to advertise for bids for building sidewalks and crossings, and the chief of the fire department was directed to test all hydrants and report at next meeting.

Ordinance No. 79, which revokes ordinance 39, had its first and second readings and adopted. Ordinance 39 gives the street railway franchise to C. F. Kindred, and as it has been forfeited, it was thought best to have the matter in shape for future use, provided some one else desired to run a street railway.

The mayor reported his appointments as follows: Ed. Caffery, chief; M. Dercher, J. D. Barstow and J. E. Johnson, patrolmen; Ald. Brockway, pound-master; W. Greene, dog-killer. The appointments were all confirmed unanimously with the exception of J. E. Johnson, whose voting against his appointment being Ald. Wheeler, Gardner, Brown and Mr. President.

The council adjourned.

Report reached Aitkin of the accidental shooting of August Nerpin, Nerpin and a boy were out hunting on a lake a few miles south of that place and pulling the boat ashore on some rocks the gun was discharged. The entire charge, consisting of buckshot, entered the body in the front side near the hip joint, causing death in a few minutes. The deceased was about forty years of age, and had a family in the old country.

The Brainerd Gun Club are making arrangements for a grand tournament at their grounds on July 4th. Several clubs have already signified their desire to attend and participate, and it is expected that a grand good time will be represented. Several cash prizes will be offered, enough to make it interesting, and the Brainerd Club will do all in their power to make the time a grand success. The grounds will be fixed up and put in nice shape and the visitors can rely on being well cared for. Reduced rates will be given on all railroads. Parties desiring information in regard to the tournament can address W. J. Bain, Secretary Brainerd Shot Gun Club.

At a meeting of the Club on Wednesday night the following programme was decided upon:

The committee who have the matter in charge are A. F. Ferris, W. J. Bain, J. J. Frost, C. A. Searles and N. H. Ingersoll.

A Narrow Escape.

An alarm of fire was turned in from the mill boarding house Thursday morning about 3:30 and the entire fire department was gotten out including the companies on the east side. The blaze was suppressed before the department could do any work but not until the people at the boarding house were thoroughly scared and quite a little damage was done. The fire originated from some unknown cause in a sleeping room and the bed and what clothing there was in it was destroyed. It was a very narrow escape.

Notice to Consumers.

Struck a Bonanza.

It may not be generally known here, but W. W. Hartley, a brother of Gil Hartley, of this city, has gathered in a veritable bonanza out in Tacoma. Some years ago a gentleman, whose name has been kept quiet, secured a tract of about eighty acres at Tacoma for a few hundred dollars. He allowed his purchase to stay unimproved, but paid his taxes regularly, and the land has grown to be immensely valuable. The town is surveyed and platted into different divisions three miles beyond the property in question. W. W. Hartley and four associate have secured title to this land under an agreement that they will pay the original owner the first \$25,000 received from the sale of the property, which is now almost ready to be put on sale. There will be about sixty-five blocks of lots in the tract, and thirty-two lots to the block, or a total of 2080 lots, which will sell like hot cakes at \$500 for inside and \$600 for corners, which will yield a comfortable total of \$1,166,000, so that each of the partners will clear up about \$225,000 as the result of their speculation. W. W. Hartley has many friends in Duluth who will be glad to hear of his good investment.—Herald.

The Minneapolis Saturday Spectator says: "The Swedish Ladies Quartette will make their second appearance in this city next Wednesday evening at the grand opera. This event will afford music lovers a rare treat for their music is so distinctive apart from that rendered by the usual concert or ordinary opera troupes as to be delightfully refreshing. Their voices are individually rich and strong, well balanced and collectively well harmonized, and while they are capable of giving the most difficult music, their most attractive and entertaining songs are the old stirring ballads, 'Last Rose of Summer,' 'Annie Laurie,' etc. Then too their native songs are charming and seem to come directly from the soul. 'Swedish Wedding March,' 'Swedish Folk Song,' are among them and always win two or three recalls."

He Was Insane.

A man by the name of Hald Anderson, a brother-in-law of Iver Benson, was found in his room at the house of the latter gentleman on Saturday evening with both wrists cut, and the man in an unconscious state. Medical assistance was summoned and the man was brought to his senses but he refused to give any cause for the rash act, other than that he had to die. He felt quite well Sunday morning but on the evening of the same day he died. There is no doubt but that the man was not in his right mind, and his actions showed that about the time he used the razor on his wrists he was laboring under temporary aberration. He was a single man about 32 years of age and had worked for J. J. Howe & Co. for seven years, but on account of ill health he had not engaged to work this season. He was buried in Evergreen cemetery on Tuesday morning.

City Matters.

The city council met on Monday evening with a full board in attendance. The minutes of the last meeting were read and approved. The city printing was awarded to the Tribune, they being the only bidders. The finance committee was granted further time to report on the city treasurer's report. The petition for a sidewalk on block 168 was tabled on report of the committee, and the sidewalk previously ordered laid on Front street west, was ordered to be laid by July 1st. The matter of improving the East Brainerd house was left with the fire committee with power to act. The committee appointed to look up the Kingwood street matter were granted further time to look up the matter. The report of the superintendent of electric lighting apparatus was read and showed a net profit of \$204 to the city for April, which was accepted. The city attorney was instructed to draw up a resolution referring to the opening of an alley in block 155.

A motion was made and seconded that street work be done with ten hours labor per day. Ald. O'Brien and Walters moved to amend by making it eight hours a day, the amendment carrying by a vote of seven to two, the gentlemen voting no being Ald. Gardner and Brown.

The petition for vacating certain portion of Bluff avenue was referred to committee on streets, to report at next meeting of council.

The city clerk was authorized to advertise for bids for building sidewalks and crossings, and the chief of the fire department was directed to test all hydrants and report at next meeting.

Ordinance No. 79, which revokes ordinance 39, had its first and second readings and adopted. Ordinance 39 gives the street railway franchise to C. F. Kindred, and as it has been forfeited, it was thought best to have the matter in shape for future use, provided some one else desired to run a street railway.

The mayor reported his appointments as follows: Ed. Caffery, chief; M. Derocher, J. D. Barstow and J. E. Benson, patrolmen; Ald. Brockway, pound-master; S. W. Greene, dog-killer. The appointments were all confirmed unanimously with the exception of J. E. Benson, those voting against his appointment being Ald. Wheatley, Gardner, Brown and Mr. President.

The council adjourned.

Report reached Aitkin of the accidental shooting of August Nerpin, Nerpin and a boy were out hunting on a lake a few miles south of that place and pulling the boat ashore on some rocks the gun was discharged.

The entire charge, consisting of buck-shot, entered the body in the front side near the hip joint, causing death in a few minutes. The deceased was about forty years of age, and had a family in the old country.

Several cash prizes will be offered, enough to make it interesting, and the Brainerd Club will do all in their power to make the time a grand success. The grounds will be fixed up and put in nice shape and the visitors can rely on being well cared for. Reduced rates will be given on all railroads. Parties desiring information in regard to the tournament can address W. J. Bain, Secretary Brainerd Shot Gun Club.

A Narrow Escape.

An alarm of fire was turned in from the mill boarding house Thursday morning about 3:30 and the entire fire department was gotten out including the companies on the east side. The blaze was suppressed before the department could do any work but not until the people at the boarding house were thoroughly scared and quite a little damage was done. The fire originated from some unknown cause in a sleeping room and the bed and what clothing there was in it was destroyed. It was a very narrow escape.

Notice to Consumers.

Struck a Bonanza.

It may not be generally known here, but W. W. Hartley, a brother of Gil Hartley, of this city, has gathered in a veritable bonanza out in Tacoma. Some years ago a gentleman, whose name has been kept quiet, secured a tract of about eighty acres at Tacoma for a few hundred dollars. He allowed his purchase to stay unimproved, but paid his taxes regularly, and the land has grown to be immensely valuable. The town is surveyed and platted into different divisions three miles beyond the property in question. W. W. Hartley and four associates have secured title to this land under an agreement that they will pay the original owner the first \$25,000 received from the sale of the property, which is now almost ready to be put on sale. There will be about sixty-five blocks of lots in the tract, and thirty-two lots to the block, or a total of 2080 lots, which will sell like hot cakes at \$500 for inside and \$600 for corners, which will yield a comfortable total of \$1,166,000, so that each of the partners will clear up about \$225,000 as the result of their speculation. W. W. Hartley has many friends in Duluth who will be glad to hear of his good investment.
